You don?t have to say I?m not worth winning  
I?m so damn naive, I?ll eat your words  
And I tried to be so good, so you didn?t have to hate  
me  
How stupid of me, not to see this coming  
How stupid of me, to trust that smile  
I?m falling so fast, I can?t believe it?s happening  
To me?

You belong to me and I belong to you  
And that I always thought I would hear  
You belong to me and I belong to you  
But here I stand alone  
What have you done to me?

You don?t have to tell me how I should feel  
Whenever there?s pain, I can not stand it  
Been crawling so nice for you, believing that you?ll  
never leave me  
Yeah?

You belong to me and I belong to you  
And that I always thought I would hear  
You belong to me and I belong to you  
But here I stand alone  
What have you done?

As strong as I am, I will go on  
And I don?t need you to prove me wrong  
I know I?ll make it on my own

You belong to me and I belong to you and?  
That I always thought I would hear  
You belong to me and I belong to you  
But here I stand alone  
What have you done to me?

What have you done to me?  
You belong to me and?  
What have you done to me?  
You belong to me and?

What have you done to me?
