Another birthday passed me by  
I think I finally see  
It's time to move out and move on  
To bigger and better things

All the stars shine so bright  
Maybe I should pack my things  
And fly into the sky

I just gotta breakaway  
I just wanna breakaway

I've fallen face down in the mud  
I never even slipped  
Maybe I'm too old to know  
I'm more than just a kid

All the starts shine so bright  
Maybe I should pack my things  
And fly into the sky

I just gotta breakaway  
I just wanna breakaway  
I just gotta breakaway  
And get back on my feet  
A little everyday

Came to a fork stuck in the road  
My mind is crystal clear  
I know exactly where to go  
Anywhere but here

All the stars shine so bright  
Maybe I should pack my things  
And fly into the sky

I just gotta breakaway  
I just wanna breakaway  
I just gotta breakaway  
And get back on my feet  
A little everyday

I just gotta breakaway  
I just gotta breakaway  
I just gotta breakaway  
And get back on my feet  
A little everyday
