And I wonder if you ever think about me anymore  
And I wonder if you ever think about me when your  
bored  
And I wonder if you ever think about me when your're  
hangin' in New York

And I wonder if you still think Bono writes his songs for  
you  
And I wonder if the reasons why you left me were  
untrue  
And I wonder if you give him better b\*\*wjobs than the  
ones I got from you

Because  
Girl you mean  
So much to me  
I wish that we  
Could start it over, start it over  
I don't need your sympathy or apologies  
Still i'm staring in my coffee cup at six am  
And i cannot give up

And I wonder if you're happy or just glad to see me  
scarred  
Did he buy your heart with Visa or his Platinum  
Mastercard?  
I am bending over backwards to get close to you but  
still i feel so far

Because  
Girl you mean  
So much to me  
I wish that we..  
Could start it over, start it over  
I don't need your sympathy or apologies  
Still i'm staring in my coffee cup at six am  
And I cannot give up

Girl you mean  
So much to me  
I wish that we  
Could start it over, start it over

I don't need your sympathy or apologies  
Nomore

Girl you mean  
So much to me  
I wish that we  
Could start it over, start it over  
I don't need your sympathy  
I just want you here with me
