And I wonder if you ever think about me anymore
And I wonder if you ever think about me when you're
bored
And I wonder if you ever think about me when you're
hangin' in New York

And I wonder if you still think Bono writes his songs for
you
And I wonder if the reasons why you left me were
untrue
And I wonder if you give him better blowjobs than the
ones I got from you.

Because...
Girl you mean
So much to me
I wish that we.
Could start it over, start it over
I don't need your sympathy or apologies
Still I'm staring in my coffee cup at six am
And I cannot give Up.

And I wonder if you're happy or just glad to see me
scarred
Did my drunken self-confessions sober up your
bleeding heart?
I am bending over backwards to get close to you but
still I feel so far

Because
Girl you mean
So much to me
I wish that we
Could start it over, start it over,
I don't need your sympathy or apologies
Still I'm staring in my coffee cup at 6 a.m.
And I cannot give Up.

Girl you mean
So much to me
I wish that we could start-it-over
I don't need your sympathy

Or apologies...
... No more

Girl you mean
So much to me
I wish that we
Could start it over, start it over
I don't need your sympathy
I just want you here with me
With me - oh!
Doo, doo, doo! Doo, doo, doo! Doo, doo, doo!
Doo, doo, doo! Doo, doo, doo!
Still I'm staring in my coffee cup it's 6 a.m. and I cannot
give up!
