Tell the kids today, I'm not afraid  
I got a hand full of dust  
And a mouth full of pain  
Want outÂiÂ  
We all want out  
(repeat 2x)  
Made some bad mistakes  
Those are the breaks  
I got a patriot high  
With some symbolic quakes  
Can't see the sun spots, through the domestic haze  
Can't hide the makeup, cause you never can see, never  
can breathe  
Want outÂiÂ  
We all want out  
(repeat 2x)  
Replace the name on your designer jeans with a flame  
Income taxes for the youth  
Intellect is all we know  
And I believe this time that it's an uphill climb  
You have to hold on tight  
The weight's too heavy now  
Want outÂiÂ  
We all want out  
(repeat 2x)
