10 years wasted
Passing time at quarterback
Seeing this lined up
For their new young photographs
10 years passing
I got fooled around someone to save
Leaping forward
I guess this is what they all became
Went from their lives of your satisfy
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Feeling awkward now i got the chance to be the man
Your face changed so
Would i recognize you pretend your stare
Went from their lives of your satisfy
Years wasted as well
Fools now on a wide eyes
Photographs so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Went from their lives of your satisfy
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
Years wasted as well
Fools now on a wide eyes
Photograph so well
