I like your stupid clothes
I like your look
I like your politics
I like your trash

I like your brand new car
I like your mouth
I like your mom and dad
I like your money

What your name is
What your name is

We like to talk alot
We like to talk alot
We like to talk alot
She like to talk alot
She like to talk alot
She like to talk alot
We like to talk alot

I like the stupid things you say
I like your hair
I like your opinions
I like your money
