You're always bringing me down
'Cause I won't play the clown
You're hard to believe in
I can't do anything right
So I'll just save the fight
And forget you conceived me

Well I'm in trouble now
'Cause I won't wear the crown
And my problem is leaving
When my head starts to spin
And I never will win
As I fumble the meaning

I'm sorry I'm not someone else
I'm sorry I can't make it right
I'm sorry I can't help myself
I'm sorry please excuse me

This song's for liars
They don't care
This song's for liars
They don't care

You always shove me aside
Fill my head up with lies
I wanted to hate her
The conversation got old
So I'll just find the door
And I will be leaving
