Planets be the champ of amplified sound  
Swimmin' in this art born up the boogie down  
The Rubin Rod Squad flew angles toward the point  
Could a wierdo group of bugs slam a gang of funky joints

The provin's in the movin' of the baggy clothes  
At the dimly lit clubs where flock the milk duds  
Hip hop enzymes with pride kicks inside  
Dig the threads the nappy heads

Bobbin' over beats that sleeps with ghetto slang  
No sirens just felts and wax from ghetto brains  
The cosmic child's hit with dance and beats and kits  
Like the [Incomprehensible] uhh uhh and shit

The ancestors grin cause rap is gettin' fat  
To some of them it's grim cause it's youth be havin'  
gats  
So save all the cares, let down your nappy hairs  
'Cause the beats is givin' life like air

The flyest fly bids is swellin' the inside  
The locest loc kids left they Glockes in the ride  
Hoodlums in the house gettin' they flams on  
'Cause even peace got some clout when the funky jams  
on

Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all

Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free

Insects at the joint no flam just kickin' it  
Wiggle with the fruits over by the liquids  
The slick kids is down, the flyers passed around  
We try to dig the group or recognize the loop

The strobe light is out in the crowd, dig my speakin'  
Who you see freakin' is the native cause your seekin'  
I came in the door, I said it before  
Jams make me kite, if they slam then it's life remember  
this

Yo, silkworm's chillin'  
Butterfly's chillin'  
A crew of Ladybugs  
We giggle with the thugs  
The world is in here 'cause expressions under hair  
I love my peers

You for a black jam makes you for a black man  
A kid I didn't know slapped his fingers in my hand  
A wisdom caught my eye damn a jams fly  
Honeys with some cuties someone havin' hootie

Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all

Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free

I think every mom and dad should say to their kids  
K-k-kids be free  
Be whoever you are and do whatever you wanna do

Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all  
Get free, get free y'all

Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free

Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free

Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free  
Funk is you, funk is me, funk is us, funk is free

Funk
