i dont want to talk to you
you don't seem to understand that
don't come around my house
unless you've got my hat
its gonna be that simple
i want my hat back
the one with the furry thing on top
i want the red one
the one that you kept in your closet
i want my hat back
cuz i got a stupid haircut
i want my hat back
so damn you
i want it back
I don't wanna be your friend
you don't seem to understand that
how can you look me in the face
when you know you've got my hat
I want my hat back
I want my hat back
the one with the furry thing on top
i want the red one
the one that you kept in your closet
i want my hat back
cuz i got a stupid haircut

i want my hat back so damn you
i want it back
i know i got a lot of hats
that's my favorite one
silly girl, silly girl, give it back
thats my favorite hat
i know i got a lot of hats
thats my favorite one
silly girl, silly girl, give it back
i dont wanna talk to you, I just want my hat back
i don't wanna be your friend
you dont seem to understand that
don't come around my house
unless you've got my hat
i want my hat back
i want my hat back

the one with the furry thing on top
i want the red one
the one that you kept in your closet
i want my hat back
cuz i got a stupid haircut
i want my hat back
so damn you
i want it back
