I got an A for the day in Mr. Bishops Class
Mrs. Smith can kiss my ass
Miss Quigg is teachin me how to conjugate those verbs
I got so many detentions I dont know what to do
I got to see Mr. Martin After school
I dont wanna have to tell my dad
My parents gunna be so mad
When they find out
I got caught makin fake hall passes
I skipped my social studies classes
I stole Mr. Fenerty's glasses
Mr. Frick
Hes such a dick
Mr. Fenerty
Why do you bother me
Slap your ruler on my desk while i'm trying to take a
nap
Mousy Ferraro teaches music
Mr. Williams breath is so sick

I got in trouble for throwing food at lunch
And Mr. Martin he yelled at me
Well he yelled so loud he made my ears bleed
I got detention forever
I wonder if I'll ever get home
When they find out
I got caught makin fake hall passes
I skipped my social studies classes
I stole Mr. Fenerty's glasses
Mr. Fenerty
Why do you bother me?
Slap your ruler on my desk while i'm trying to take a
nap
When they find out
I got caught making fake hall passes
I skipped my social studies classes
I stole Mr. Fenerty's glasses
Mr. Frick
Hes such a dick
Mr. Fenerty
