If we take our time  
And we stick together  
Everything we do  
Will go our way

And if we try  
Now and forever  
No matter what comes next  
we'll be okay

Let's kick it up  
Show them all the things that we can do  
Let's kick it up  
Another notch tomorrow  
Let's kick it up  
'Cause they ain't seen the last of me and you  
Let's kick up  
Together

I realize  
What's on the surface  
Ain't picture perfect  
But that don't mean a thing

One thing I know  
Is there's a purpose  
And like the circus  
We're hangin' from the rings

Let's kick it up  
Show them all the things that we can do  
Let's kick it up  
Another notch tomorrow  
Let's kick it up  
'Cause they ain't seen the last of me and you  
Let's kick up  
Together  
Together

Na na na na  
Na na na na  
Na na na na

Na na na na

yeah!....

Na na na na

yeah!....

Na na na na

yeah!

Na na na na

1..2..3..4..

If we take our time  
And we stick together  
Everything we do  
Will go our way

I have no doubt  
This situation  
will end and we'll enjoy another day

Let's kick it up  
Show them all the things that we can do  
Let's kick it up  
Another notch tomorrow  
Let's kick it up  
'Cause they ain't seen the last of me and you  
Let's kick up  
Together  
Together

Let's kick it up  
Show them all the things that we can do  
Let's kick it up  
Another notch tomorrow  
Let's kick it up  
'Cause they ain't seen the last of me and you  
Let's kick up  
Together  
Together
