[ABK Talking]

Bring it to the ring

Stick and Move

Let's see who the last man standin

You fucking wit a killa for real

Bitch!

[ABK - Verse 1]

This time I'm comin swingin

With my hatchet high

I'm about to let it loose

Cause it's do or die

Go ahead and tell somebody

Spread the word to the streets

ABK done lost his mind

Now he's disturbed his peace

Hey I don't give a shit

And you could let it be know

And Imma let it be shown

Mother fucker I'm grown

Imma swing if I want to

And you can't stop me

It's too hard to do if ya weak and sloppy

Put yo fist up

Swing em til somebody cries

Supersize a hater up with a order of knuckle fries

Let em see just how we doin

And what it's like to have somebody comin after you

Watch out!

[Chorus x4]

Go tell everybody ya know

That everybody ya know

Tell everybody ya know

This time I'm comin swingin

[ABK - Verse 2]

So I'm a psycho

I could deal wit it

Ain't no thang

It's ok I agree I love bringin the pain

And I'm not the only who loves they hatchet

Swinging it with perfection

From plenty of practice

I'm just a native

That's out for kill
It's time to battle
So understand I'm comin for real
I don't think when it happens
It just comes to me
And if I can't walk away
I stand so they can see
[ABK Talking]
When you step into the ring, ready to do yo thang
Come swingin, What!, Come swingin
If they love to talk cause a fights what they want
Come swingin, What!, Come swingin
[Chorus]
The hatchet warrior, yet another psychopathic, known
to kill anyone in hisâ€¦
[ABK Grunt and Axe hit]
[ABK - Verse 3]
Sharp like an axe blade
Swift on my feet
Born to come hard
With my animal instincts
Nightcrawlin to watch yo health
I'm the sound that you hear when you by yoself
Like a killa on the streets
I be that's me
Comin hotter than the sun cause I'm bringin the heat
So if you Rollin wit me come on
It's time to get the show on
And bring it to these mother fuckers
Actin like they so grown
Break em down like a bag of some boot weed
And tell them you ain't someone to defeat
Put it out there so that it's known
That the hatchet better come swingin or go home
[Chorus x8]
