shave your face/and  
darn your socks/and  
brush your teeth/and  
comb your hair/and  
check your tie/and  
fix your watch

somewhere i've been dreaming  
of a perfect gift  
and despite the growing hour  
i'm still restless

take a left/make a right  
drive all night/never rest  
pull him out/push hi in  
you don't know/bobby franks

take a piece/and  
shine my eyes/and  
draw a map/and  
curse my thought/and  
call your man/and  
wind your clocks  
somewhere i've been dreaming  
of a lucky boy  
and despite the growing hour  
i'm still restless

take a left/make a right  
drive all night/never rest  
pull him out/push him in  
you don't know/bobby franks

somewhere i've been dreaming  
of a super man  
who finds his greatest powers  
unafraid  
i'm unafraid/of bobby franks  
bobby franks/bobby franks  
did bobby ring?
