Baby I need you
Come into my life
Uh uh yeah
Yeah uh uh yeah

In my heart tonight
Get down in my soul
I'm losing my senses
I'm in for the count
So out of control
And I can't surrender

I'm goin' crazy
I might be a fool
But there's no way out
I just gotta be with you

CHORUS:
Come into my life
Can't you understand
We belong together
Come into my life
Get closer again
Our love should be forever

I stay by the phone
No use to pretend
I'm still waiting for you to call
Stop bein' alone
Must come to an end
Do you feel the same girl

CHORUS (2x)

I'm going crazy
I might be a fool
But there's no way out
I just gotta be with
Just gotta be with you

Come into my life

Can't you understand
Since you and I..
Lets get closer again

CHORUS till end
