I met her over in them parts the other day  
Her skin kissed by the sun  
Her hair the color of hay  
Say girl I like the way you move  
Baby you're alright with me (oh)

Then I imagined her with me out by they bay  
Lookin' like a star and the moon shining on her face  
Then I said, "go'n, shake it darlin'" (shake it baby)  
'Cause you're alright with me (oh)

Chorus~

Pt.1~

That girl's incredible  
Them things that she be doin'  
You know maybe there's somethin' in my drink  
But I can't prove it  
The way she moves her body  
I don't know if I can take it, uh  
I think I love her, but it's probably 'cause I'm faded

Pt.2~

And she knows (go'n girl)  
What she does (go'n girl)  
And you look so good (go'n girl)  
You can call me ready  
'Cause my body loves her body

She looked at me said, "boy, go'n get up outta this  
place  
I think ya done son, you gotta get home ok"  
And I said, "keep on shakin' honey"  
She said, "you're alright with me"

Chorus

Repeat Pt.2 3x
