Baby girl there's something I just gotta tell you there
aint nothin in this world I wouldn't do how can I make
you see your the only one for me I want you to know
baby girl I can't stop thinking about you cause your
sexy waist is playin on my mind so tell me what you like
and let me show you love tonight it's allright I don't
want to wait forever I don't wanna wait no more waiting
for you to surrender surrender to my love babygirl I just
don't mind you getting closer let me touch you and
coress you all along won't you come with me sex your
body free freedom is ours babygirl there aint no
reason to deny it cause the way you move is turning me
on I hope you understand I will be the best I can so lets
get it on I don't want to wait forever I don't want to wait
no more waiting for you to surrender
Surrender surrender to my love work your body(body)
shake your thing(thing)got you up and I wanna see you
work it (2x) I got everything that you want I got
everything that you need work your body(body) shake
your thing(thing)got you up and I want to see you work
it(reapeat chorus 2x)
