There's a light  
A certain kind of light  
That never shone on me  
I want my life to be  
Lived with you, lived with you  
There's a way  
Everybody said  
To do each and every little thing  
But what does it bring  
If I a'int got you, a'int got you

You don't know what it's like  
You don't know what it's like  
To love somebody, to love somebody  
The way I love you

It's the same  
I see your face again  
I know my frame of mind  
You a'int got to be so blind  
Am I so blind, blind to believe?  
I'm a man  
Can't you see  
This is what I am  
I live and breathe for you  
But what good does it do, if I a'int got you?

You don't know what it's like  
You don't know what it's like  
To love somebody, to love somebody  
The way I love you
