He's urgently in love
(Every time I see you)
Hey, what you doing, what you doing to me?
I can have any girl in the world I want
They're all falling at my feet, uh, yeah yeah
But you go and ignore me, every move that I make
When I try to catch your eye, you're off on the flight
How much more can I take?
He's urgently in love, got to have only her
Won't go with nobody else (Oh, nobody else, oh yeah)
He's urgently in love, got to have no-one but her (a-ha)
No, body else (no)
Everytime I see her (everytime)
Her rhythem makes makes me shiver down my spine
It's a definite decision (it's a definite decision)
Got to have her, got to hold her
Got to make her mine (got to make her mine)
Hey, what you doing, what you doing to me?
(what you doing to me)
I can't read a book, I can't watch TV
'Cos you're all that I see (ooh) uh, yeah yeah
I never wanted to fall in love with you
But to tell you the truth, girl
All I wanna to do is take care of you
Lets ride my choo-choo (c'mon c'mon c'mon)
He's urgently in love, got to have her only
Won't go with nobody else (no no, n-n-no, no no, n-no)
He's urgently in love, got to have no-one but her
No no body else (c'mon)
Everytime I see her (everytime I see you) everytime
Her rhythm makes makes me shiver down my spine
(down, down, down my spine)
It's a definite decision (it's a definite decision, ahh)
Got to have her, got to make her mine
Everytime I see her (everytime I see you)
Everytime (see her, see her)
Her rhythm makes makes me shiver
Down my spine (her rhythm makes me shiver)
It's a definite decision (it's a definite decision)
Got to have her, got to hold her, got to make her mine
(I got to make her, make her)

He's got to have her (ooh ohh, yeah) come on
He's got to hold her (oh yeah, he's got to hold her, no)

He's got to have her (oh, don't you know he wants to,
yeah)

He's got to hold her
What you do to me now?

Ooh

It's a definite decision

Oh, he's got to make, to make her

He's urgently in love, got to have her only

Won't go with nobody else (we know, we know)

He's urgently in love, got to have no-one but her
(oh, woah woah)

No, nobody else (no no no)

Everytime he sees her (everytime I see her, everytime)

He's urgently in love, got to have only her

(got to have only her)

Won't go with nobody else (down my spine, down my
spine)

It's a definite decision (it's a definite decision)

He's urgently in love (oh) got to have on-one but her
(ah)

Got to make (no, nobody else) make you mine

Everytime I see her (ooh, everytime I see her)

He's urgently in love got to have only her

(yeah, yeah, come back in my life,

I won't be right without you)

Won't go with nobody else (down my spine)

It's a definite decision (it's a definite decision)

He's urgently in love, got to have no-one but her

(some body own)

No, nobody else (got to make her, got to make her,
um)

(Hi, yo, Billy, where did you get those sneakers, man?)

(Those are so cool
