Title : 3 Wishes

Artist : Billy Crawford

Album : Big City

[Chorus :]

Well I wish I never met you, Wish I could forget you  
Wish there was no one else on my mind  
Wish that I could hold you, Wish that I could show you  
Wish more than anything you were mine  
How could I leave her? How could I deceive her?  
She's been the only one by my side  
Wish I never met you, Wish I could forget you,  
'cause you're the only one on my mind (on my mind)

[Verse 1 :]

Girl, there's no doubt it, you're trouble and  
I know it, but I just can't help myself  
I love my girl, much too much to throw it in  
And put it, in the arms of someone else,  
It's what I came here to tell you  
Being here has only got me more confused  
I get the feeling you can make my dreams come true  
If I had 3 wishes, girl

[Chorus :]

Well I wish I never met you, Wish I could forget you  
Just! there was no one else on my mind  
Wish that I could hold you, Wish that I could show you  
Wish more than anything you were mine  
How could I leave her? How could I deceive her?  
She's been the only one by my side  
Wish I never met you, Wish I could forget you,  
You're the only one on my mind (on my mind)

[Breakdown:]

(Now bounce, everybody bounce right now,  
Everybody bounce right now, everybody bounce right  
now)

[Verse 2 :]

It's work, and it's overtime, it's killing me

That's what I tell her, every time we're meeting up  
My boo, 'cause you don't know you're killing me  
And I still to it, risking it all for what?  
That's what I came here to tell you  
Being here has only got me more confused  
You're telling me that you can make my dreams come  
true  
If I had 3 wishes girl

[Chorus :]

Well I wish I never met you, Wish I could forget you  
Wish there was no one else on my mind  
Wish that I could hold you, Wish that I could show you  
Wish more than anything you were mine  
How could I leave her? How could I deceive her?  
She's been the only one by my side  
Wish I never met you, Wish I could forget you,  
You're the only one on my mind (on my mind)

[Bridge:]

Can love someone who really loves you  
You can run yourself a dream come true  
Like a genie in a bottle you can change my world  
If I had 3 wishes girl
