I was your man, you were my girl.
Would have given anything to you in this world.
So why is it lately you've been acting cold to me.
You don't want to talk to me.
You don't like my touch.
So tell me why would you do this.
Girl i told you so.
I'da won't ya go.
Look how it ends.
We can't even be friends.

(chorus)

When you cheat when you lie when you kiss me
goodbye.
You didn't expect that i would find out.
When it's late when you say you where at your friends
house.
You didn't expect that i would find out.

So many little things keep on adding up.
Girl i've had enough pretending that i'm blind.
Two way blowing up way past 12 o'clock.
Let me tell you what.
It's about that time.
And yesterday i followed you baby.
I know where you've been.
I saw you with him.
Look how it ends.
We can't even be friends.

Chorus(3x)

When you cheat when you lie when you kiss me
goodbye.
But i know where you've been.
Cause i saw you with him
When you cheat when you lie when you kiss me
goodbye.
But i know where you've been.
Cause i saw you with him

Chorus(2x)
