Ok, we're on the air live from Lake Merit in Oakland,  
California  
We'll have exclusive coverage of Gutfest '89  
I'm Ted Casey, and we're gonna go down live right now  
with Bill Thompson  
Bill's on the scene, and he's gonna tell us what's going  
on. Bill?  
Thanks, Ted  
Yeah, you can hear, they're just having a ball and a hell  
of a time  
Down here at Gutfest this year  
Uh, you can hear behind me now, that's uh, I think  
they're called Blue Death  
Just one of ten, ten bands that are playing down here at  
Gutfest this year  
I think some of the other bands playing will be  
The Who, The Clash, uh, Digital Underground  
There's been rumor's that EPMD  
Might come out and play here at Gutfest this year  
Other people in the line-up are  
Herbie Hancock, Chick Corea  
Miles Davis is part of tomorrow's jazz line-up  
And tonight they're doing rock and blues  
There's supposed to be more, uhh music from The Who  
later on tonight  
And then Thursday's show is gonna close with Digital  
Underground  
Is gonna close the show. So, hey, I'm outta here, I'm  
gonna go have  
Some more food, some more good music...

How's it going, guys, you guys come to Gutfest every  
year, or what?  
Oh yeah, Gutfest is the best thing to happen to  
California since 1968  
So, uh, where are you guys from?  
San Diego..]

Gutfest, Gutfest  
It's a show, not like you've ever seen befo'  
In the park, from noon 'til after dark.

There will be blondes, and also girls of bronze,  
And girls who come from other contries 'round the  
world  
Now, you will see a big display of ladies in a cage,  
Butt naked, and they're showing off their curves and  
sexy ways.  
So pack a bag, and come on down, if you can find the  
time.  
We just would like to say welcome to Gutfest '89.

Crazy guts, crazy guts, it's Gutfest '89  
Crazy guts, crazy guts, it's Gutfest '89  
Crazy guts, crazy guts, it's Gutfest '89

The festival is on the lake, the hotel's up the block.  
It's clean, they've got good rates and they've got lots  
of rooms in stock.  
Tell them you're here for Gutfest, you'll get ten bucks  
off per night.  
Bring your camera and your condoms, 'cause we're  
going to do this right.  
More girls then you have ever seen are on display right  
now,  
Girls with breasts that go va-voom and booties that go  
pow!  
Black girls, white girls, candy stripe girls, girls with lots  
of back fat,  
It's safe to say more healthy guts then you can shake a  
stick at.  
I trooped in, now let the Gutfest begin,  
It seems like sin, my head's startin' to spin,  
Thinkin' what I'm about to clock, all stops are being  
yanked out,  
I'm knockin' stank out the box, every chance I get,  
Because I waited and waited, to make this trip.  
Yeah, one big stupid butt nest,  
And I'm'a get mine at this Gutfest.

Crazy guts, crazy guts, it's Gutfest '89  
Crazy guts, crazy guts, it's Gutfest '89  
Crazy guts, crazy guts, it's Gutfest '89  
Crazy guts, crazy guts, it's Gutfest '89

You'll see tourists and you'll meet people from all  
around the world.  
At last year's fest I kicked it with a real cute Chinese  
girl.  
Sometimes after the shows at night, or in the  
afternoon,  
Some guts come up and give you skull right in your  
hotel room.

Most nice girls do not give good brain, for others it's a racket.

Some guys leave Gutfest out of luck and go home with a packet.

Heavy, slim, big, large, girls with lots of gook,  
Cover girls and model types, girls who've got the look  
Young butterfly, tulip petal, mahogany devine,  
A thick bitch with big legs, yeah, it's Gutfest '89.

Gutfest, Gutfest,

Gutfest '89, Gutfest, Gutfest

Gutfest '89 y'all, crazy guts, crazy guts

Gutfest '89, Gutfest, Gutfest, and you don't stop

Gutfest, Gutfest, G-f-G-f crazy guts.

Yo shmoove, peep this: Posdnuous check it out, check it out

Gutfest '89 G-f-G-f-G-f-G-f crazy guts

It's just Gutfest '89 G-f-G-f-G-f-G-f crazy guts

I got this plan, see, and it involves whipped cream,  
bananas,

One girl stands behind me, the other in front...

Well, I never tried this stunt before, but I'll tell you what,

We'll bust the cherries, then we'll sprinkle some nuts on top,

Then we'll do the splits. Now what have we got?

G-f-G-f-G-f-G-f crazy guts

Heavy, slim, big, large, girls with lots of gook,  
Cover girls and model types, girls who've got the look  
A red bone with good muscle tone, a young cocoa  
delight,

Wood-panel brown girl who is down, more game than  
Icy Mike,

Young butterfly, tulip petal, mahogany devine,

A thick bitch with big legs, it's Gutfest '89.

Ah yeah, Gutfest, Gutfest, Gutfest Gutfest

Crazy guts, crazy guts, it's Gutfest '89

Crazy guts, crazy guts, it's Gutfest '89

Crazy guts, crazy guts, it's Gutfest '89

Crazy guts, crazy guts, it's Gutfest '89
