[Verse One]

If I have only one regret
It's the memory
Of the day we met
And now,
I can see right through,
Your distorted views
I know what's underneath
It's nothing real

[Chorus]

YOU!
Everything you do,
MAKES ME SO SICK INSIDE
SO SICK INSIDE OF,
YOU!
Every part of you,
MAKES ME SO SICK INSIDE
SO SICK INSIDE...

[Verse Two]

So desperately,
I wish that I could erase
These images inside my head of your face
You've done,
Nothing but abuse everyone you ever knew
I swear to God that I will never be like

[Chorus]

YOU!
Everything you do,
MAKES ME SO SICK INSIDE
SO SICK INSIDE OF,
YOU!
Every part of you,
MAKES ME SO SICK INSIDE
SO SICK INSIDE
OF YOU!

[Bridge]

I wish I never met you

I just wish I could forget
YOU!
I just,
Wish that I could
FORGET YOU!
I'm just so sick of-

[Chorus]
YOU!
Everything you do,
MAKES ME SO SICK INSIDE
SO SICK INSIDE OF,
YOU!
Every part of you,
MAKES ME SO SICK INSIDE
SO SICK INSIDE
YOU!
EVERYTHING ABOUT YOU!
MAKES ME SO SICK INSIDE
SO SICK INSIDE
SICK INSIDE
SO SICK OF YOU!
