

Digital Summer "Broken"

Visit "[Broken](#)" on MotoLyrics.com

[Verse One]

I'd give you the world,
If it would mean anything
Despite your reaction,
I can't help but believe
That maybe inside,
You feel the same
I'm killed by the question,
That surrounds your name

[Hook]

Do you feel
The way I do?

[Chorus]

So break my wings,
And watch me fall
Cause I'm broken,
But look at you
And if I cut myself
Would you be there?
Would you feel everything I do?
Would you feel the way I do?

[Verse Two]

I'm falling apart
Is it so hard to see,
I didn't give you my heart
You just took it from me
This feeling of anger,
It just won't go away
I'd give anything
Just to hear you say

[Hook]

Do you feel
The way I do?

[Chorus]

So break my wings,
And watch me fall
Cause I'm broken,

But look at you
And if I cut myself
Would you be there?
Would you feel everything I do?
Would you feel the way I do?

[Bridge]
Can you feel it inside,
Yourself?
What would you feel?
Would you feel it in your heart?
Can you feel this,
Inside
The pain that won't go away

[Chorus]
So break my wings,
[Break, break, break]
And watch me fall
I'm broken,
But look at you
And if I cut myself
Would you be there?
Would you feel everything I do?
Would you feel the way I do?
Would you feel the way I DO!
