[Verse One]

There must be a way
To cut the cord
I'm not ungrateful
I just need more,
Than the simple
Life, I was given
Searching for something
[To believe in]

[Chorus]

Disconnect me
From this harmful dream
This world is not designed for me
DISCONNECT ME!
DISCONNECT ME!

[Verse Two]

And now is the time
To disengage
To break away,
And escape from the cage
That I live in
The cell,
That contains me
It's holding me hostage
And-
[You can't save me]

[Chorus]

Disconnect me
From this harmful dream
This world
Is not designed for me
I reject this reality,
I reject this reality,
I reject this reality,

[Bridge]

It's not what I wanted
I'd give it all away
I'm willing to give up

Everything that's true
I've become,
Numb to it all
Cast to the world
Just to wait for the fall
DISONNECT ME!
DISCONNET ME!

[Chorus Outro]
Disconnect me
From this harmful dream
This world
Is not designed for me
I reject this reality,
[Disconnect me
From this harmful dream]
I reject this reality,
[This world
Is not designed for me]
I reject this reality,
I'm rejecting everything
In this perfect life I live
Disconnect me from this
Life I live
And I can't live without
Disconnect me...
