[Chorus]

If you're into S & M, baby, you can hurt me  
If you like going down, do me like a Slurpee  
Do you like it dirty? Baby, come and serve me

[Shock-G]

Do you like it dirty?!  
Some like it dirty and some like it clean

[Verse 1]

Don't throw me no soap  
Cause it would just defeat me  
Some like it dirty like this beat, see  
Rapping off-kilter  
Sometimes I hit the cigarette without no filter  
I like it when it's lag-time  
Let-my-pants-sag time  
Let go and let my drawers show  
And let them get so low  
That I can let my funk fling out  
I'm talking about when the nuns get naughty  
When father hits the forty  
(Shhh, now let's not get too sporty, son)  
When the collard green juice gets the bread wet  
When you're up so close that you can smell the sweat  
Off a black, funky Tennessee butt  
Like a bite into a salty Tampa Bay boiled peanut  
(I hit a jet black ass in the back seat of a Nova)  
Oh yeah? Well a hoe five-oh pulled me over  
I swear, doing about a buck thirty  
Instead of jail she took home and got flirty  
The deal was a \$1000 fine and a ticket:  
"Or you can stick it."  
"You're pretty but I haven't had a shower today"  
She said "Come here, it's better that way  
Tie me up and do anything you want  
But don't hurt me"  
So I..

[Chorus x2]

[Verse 2]

A lot of people like rice better when it's brown  
Like having sex on the ground  
Instead of in a bed, instead of receiving head  
A lot of people like going down  
I side-stepped the line for a fresh cut  
And instead, I keep my nappy curls in my head  
I like to hear brothers spit game using dirty words  
I like things colourfully stated  
Everyday speech sounds dated  
I like the freaks in the jeans  
When the booty part's faded  
Like my homegirl Rita  
I used to chill on her sofa with my feet up  
By the heater with my toes getting toasted  
One day she came naked out the kitchen  
With a bag full of groceries  
She said "Like a blunt I want to toake you  
And with this bottle of wine I'm going to soak you  
May I Cherry-Banana Float you?"  
I said "Is this a joke, boo?"  
She said "I love you, my baby  
And I wouldn't do nothing that would hurt you"  
She took my clothes off  
Started pulling food out the bag  
And said "Yo, I'm 'bout to work you"  
Yeah, I let her get the best of me  
She was sitting next to me  
Then baby started sexing me  
Poked me with the peanut butter  
Rubbed me with the jelly  
She spread cottage cheese on my belly!  
I said "Woah, baby, what you got in mind?"  
She said "Relax"  
Popped the top on a bottle of wine  
Then she poured the wine down my back  
It prickled and tickled when it reached my crack  
I said "Oooh, I feel real freaky, my butt's real squeaky!"  
She said "Cool" and then proceeded to eat me  
Ate me up till my body was squeaky clean  
Must have been a sex fiend  
Like the freaks in the magazines  
Poked out her lips, made her mouth like a funnel  
Spun a brother round, went down on the tunnel  
I said "Oh! There she goes"  
She got live and let the tongue slide  
On the black hole  
And, yo, this was it  
Baby was on some freshfruitfreakyfoodshit!  
Honey on the side, jelly on the head  
Peanut butter on the bedspread

Baby said "Do you like it dirty?!"

[Chorus x6]

Do you like it dirty? Hoe, you don't deserve me

Do you like it dirty? I fucked a hoe in Berkeley
