Ooh I see guys and girls dancin' ooh ooh
Ooh I see guys and girls dancin' ooh ooh
Now as the record spins around you recognize this
sound
Well it's the underground
You know that we're down with wutchyalike
Yeah with wutchyalike yeah
And though we're usually on the serious tip check it
out:
Tonight we're gonna flip and trip and let it all hang out
tonight
We're gonna say what we like.
'Cause, yo, yo, we wanna know how many people in the
flow,
Would like to just let yourselves go
And doowutchyalike,
Yeah, well tonight's your night.
Just eat food, try not to be crude or rude,
Kill the attitude, chill the serious mood,
And doowutchyalike,
Yeah, and doowutchyalike,
Everybody doowutchyalike
Ooh, I see guys and girls dancin', ooh, ooh
Yeah, doowutchyalike
Ooh, I see guys and girls dancin', ooh, ooh
Just doowutchyalike
Ooh, I see guys and girls dancin', ooh, ooh
Yo, go wheroyalike
Ooh, I see, I see, I see guys and girls dancin', ooh, ooh
I mean rich, poor, high, low, or upper-middle class,
Let's all get together and have a few laughs
And doowhatwelike
And since you came here you gotta show and prove,
Yeah, and doowhatwelike, yeah, and doowhatwelike.
And do thatdance, until it don't move,
Doowutchyalike,
Sometimes I bite.
Now if you're hungry, get yourself something to eat,
And if you're dirty, then go take a bath.
Messed up the line?
Help yourself to a cracker, with a spread of cheddar

cheese,
Nope, sometimes I don't rhyme.
Have a neck bone, you don't have to say please
Eatwutchyalike, yo, smellhowyalike.
Everybody doowutchyalike
Ooh, I see guys and girls dancin', ooh, ooh
Doowutchyalike
Yo, doowutchyalike, you know what I'm sayin'?
Ooh, I see guys and girls dancin', ooh, ooh
Whatever you like to do...talkhowyalike
Ooh, I see guys and girls dancin', ooh, ooh
Ooh, I see, I see, I see guys and girls dancin', ooh, ooh
Just act a fool, it's okay if you drool,
And doowhatwelike, yeah, and doowhatwelike.
'Cause everybody's gonna strip, and jump in the pool,
Homegirls, for once, forget you got class,
See a guy you like: just grab 'im in the biscuits!
And doowutchyalike.
Now, red, white, black, tan, yellow, or brown,
It really doesn't matter, we can all get down,
And doowhatwelike, yeah, and doowhatwelike.
From a pink-skinned yankee, to a blue black
southerner,
Ditch digger or a governor,
Lookhowyalike,
Just doowutchyalike,
Now don't you know we're gettin' busy, it can't be
corrected,
??? had to be deaf
Even though you don't think it's right,
Like I said, sometimes we bite,
I say whatllike,
Yo, I like to bite,
Just havin' fun y'all, and if you think that it's wrong,
You got to admit, it's a new type of song,
Doowutchyalike,
Ooh, I see guys and girls dancin', ooh, ooh
Yeah, doowutchyalike,
Ooh, I see guys and girls dancin', ooh, ooh
Yo, gowhereyalike,
Ooh, I see guys and girls dancin', ooh, ooh
Yo, doowhoyalike
Ooh, I see, I see, I see guys and girls dancin', ooh, ooh
Doowutchyalike,
Alright, here we go, y'all:
Talkhowyalike,
Grabwhoyalike,
Drinkwutchyalike,
Feelwutchyalike,
Eatwutchyalike,
Scratchwhereyalike,

Itchifyalike,
[Daddy, can I go outside?]
Ha, gowhereyalike, kid!
Beep
...A brief announcement to all radio DJ's: If this record is currently
being played at your station, we will provide the following time for
you
to announce your station identification.
...We'd also like to add that we've now reached the three-and-a-half
minute mark of this song. Radio stations may begin your fade here. For
those that would like help, we will start your fade for you...
{Fade}
Beep
...Now if this records is being played a a club, disco, lounge, house
basement, or block party, car stereo, stoop, or at any other social
gathering, we will now allow the beat to continue, and proceed to give
you more of what you like. This message has been brought to you by the
makers of the way we swing, and the underground talkhowyalike posse.
[Ah, ah, ah, I feel like a nice big bowl of cereal, icy cold milk]
[Daddy, can I eat some ice cream?]
Now the beat goes on 'til the break of dawn,
[Look, I told you kid, eatwutchyalike, ok?]
And just peep this, y'all, 'cause we're singin' a song,
And since you came here you gotta show and prove,
And doowutchyalike, yeah doowutchyalike
And doowutchyalike,
And do that dance, until it don't move,
Like I said, sometimes we bite
Now we're all gettin' stupid, and actin' a fool,
Anything that ya really wanna do is cool,
So, Goldfingers, cutwutchyalike
[Now let me tell you who I am...Ah shit...]
Now if you're hungry, get yourself something to eat,
And doowutchyalike.
And if you're dirty, then go take a bath,
Stetsasonics, adjust for the hip-hop fans,
And since we're not your average everyday rap band,
Yo, Pianoman, playhowyalike
{piano solo}
Just act a fool, it's okay if you drool,

'Cause everybody's gonna strip, and jump in the pool,
yet,
[Wait a minute, wait a minute, don't take your clothes
off yet, not
wait 'til we get home]
Now if you wear corrective shoes and you got big
bunions,
Toenails smell and look like onions,
Don't doowutchyalike--
Go see a foot doctor tonight!
Yeah, yeah, yeah, everybody doowutchyalike
Ooh, ooh, I see guys and girls dancin', ooh, ooh
Yeah, doowutchyalike,
Ooh, ooh, I see guys and girls dancin', ooh, ooh
Ooh, ooh, I see, I see, I see guys and girls dancin', ooh,
ooh
Know what I'm sayin'? Just doowutchyalike.
Ah, everybody doowutchyalike,
Ooh, ooh, I see guys and girls dancin', ooh, ooh
Straight hair, curled, casual and glamor,
A shy girl, or loud like a bama.
From Connecticut, or from Louisiana,
Bad table ettiquette, too much chatter,
Very well spoken, or real bad grammer,
I minority token, a brother in the slammer,
A free civilian with a house in Santa Ana,
If ya got a million, and live in Atlanta,
If you got a weak bladder, or can't climb a ladder,
What we're sayin' is, it really doesn't matter,
I need a word that sounds like "atta"
Slipped on a peel of banana,
Doowutchyalike.
[Yeah, cool, gettin' stupid, once again, you got the
sound of the
underground. Baby dope is in the house.]
[Boyyy!!]
[Are we puttin' things in check, Baby D?]
[Too stupid check]
[I'm wit' it. Yo Dave, let's show 'em some old school]
It makes no sense just standin' around,
Come on everybody, let's all...[Hang out]
Yeah, and doowutwelike,
From a lime to a lemon, a lemon to a lime,
Come on, young ladies, let's have...[Good times]
And doowutwelike.
Now, I can sing, I can dance, I'm the king of romance,
Are you sweet young ladies gonna give me a chance,
To doowutchyalike?
And get that thing packed tonight.
Vanessa Williams, ooh, you're so divine,
And doowutchyalike,

Just wanted to put your name in my rhyme,
Yeah, everybody doowutchyalike.
[Hey, how 'bout you and me just go in the back room
right now? OK?
just
me and you]
Ooh, ooh
[Yo, don't take your clothes off, not yet]
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh,
ooh, ooh, ooh
I see, I see, I see guys and girls dancin'
[Gowherelyalike, and since you came here you gotta
show and prove]
[Sometimes I blah, blah, blah, blah, blah, blah, blah,
blah]
I see, I see, I see guys and girls dancin'
[If you're fat, hungry, dirty, and need to take a bath: go
wash your
I see, I see, I see, I see, I see guys and girls dancin'
feet]
I see, I see, I see, I see, I see guys and girls dancin'
[Just buggin' in the place to be, you got the sound of
Shock G]
End the record howwelike
