Inside My Head

[Verse One]

No need to say it  
You don't think I'm as strong as you are  
Cause I don't cover up my scars  
And inside my head I fight  
Different battles every single night  
You don't know what it's like

[Chorus]

I can feel this  
Surrounding me  
Like a nightmare  
Though I'm not asleep  
Everything I see (everything is red)  
Everything in me (is already dead)  
I just need something  
To kill the demons inside my head

[Verse Two]

If you could be so kind  
To forget the truth and lie to me  
Tell me everything is fine  
Victim of a sick and twisted disease  
It's like another broken souls living inside of me  
Always fighting for control of the air that I breathe  
And it won't let go of me

[Bridge]

I'm a prisoner  
Haunted by this curse  
It's got a hold of me  
I fear there is no cure  
And it's getting worse  
It's like I cannot breathe  
I'm crawling  
On my knees help me please  
I'm falling  
Inside my head from this disease

I can feel this

Surrounding me  
Like a nightmare  
Though IÂ'm the only one whoÂ's not asleep

[Chorus]
