Schmoove sings for a bit\*

[Shock G]

Yeahhh well we're back with another one

Comin hard and got suckers on the run

You say "You guys are known for havin fun"

And you ain't never heard nuthin this funky son

Yeah well we'll do what has to be done for us to be  
number one

You ain't never heard nuthin this funky ever it's too  
clever

Rhyme goes through your mind like a guillotine severs  
the head, my friend

And you will never hear nobody rap like this again

[Big Money Odis]

You ain't heard nuttin this funky brother, it's like no  
other

You feel the bass bouncin off the walls like rub-bah

The real McCoy this ain't no toy or another

The freak needers, the beat leaders

How do we do it? (Shock G: Yo go ask your mother)

Let me tell you somethin, you ain't heard nuttin this  
funky Peter

So listen up as we begin

Aiyyo Fuze rub the record in

[both] cause you ain't heard nuttin this funky (4X)

[Big Money Odis]

We're the cold party heaters, comin through the  
woofers and the

The definition of a rhyme breeder, beat needer  
tweeters

Funky dope MC leaders

Rhyme hungry hip-hop listener feeders

[Shock G]

The definition of a rhyme sayer, beat layer

Mothersucker perpetrator slayer

Layin down the law like the Mayor

You're out of luck, Hucklebuck, I'll suck you up like a  
Now or Later

You say that you're a trooper, then I'm Darth Vader

You're a Cowboy, then I'm a Raider

[Big Money Odis]

You can't compete cause you're incomplete and need

to be completed  
You're style is weak you're obsolete and need to be  
deleted  
Short on the things that you needed  
So what you got a top ten song, cause you cheated  
[Shock G]  
From the rappin that I hear, you'd make a better egg  
beater  
If you worked in a kitched, it'd be sweeter  
A teeter totter, or should I say, totter teeter  
We got the style you admire, the rhymes you desire  
You're through, you're a court and we're leaders  
cause you're a flick from a Bic and we're a bonfire  
Well you ain't heard nuttin this slick you trick  
[both] cause you ain't heard nuttin this funky (4X)  
\*some scratching by DJ Fuze\*  
Cause I roll up fast, like a cheetah, get out the two-  
seater  
[Big Money Odis]  
Walk up on a girl named Anita, or Rita  
Ask her for change to put money in the meter  
Didn't really need it just a smooth way to meet her  
She said, "I'm hungry" so I took her out to feed her  
or a fly way to treat her  
She was a pocket feeder chicken, fajita pita eater  
I said, "Yo, eat how ya like" then took her home and  
G'd her  
[Shock G]  
The definition of a funky rhyme master  
Clevly put together but not necessarily sayin it faster  
Ya see, that style isn't hard at all  
The object of the game is to have a ball y'all  
And to see who can come the funkiest  
Lot of MC's think it's just a speed contest  
They wanna brag about the neighborhood, oh you  
wanna boast?  
We come from different cities and we're coast to coast  
ya see  
but right now we're based in Oakland (Odis: Oakland)  
Everywhere we go we leave the microphone smokin  
Leave MC's standin still with their mouths hangin open  
Yo bro I'm not jokin  
Walk offstage and leave the next act scratchin his head  
like a monkey  
Cause you ain't heard nuttin this funky  
[both] Cause you ain't heard nuttin this funky (2X)  
[Shock G] Leave a sucker standin still confused  
cause he never heard nuttin this funky  
[SG+HH] You ain't heard nuttin this funky  
[Humpty] Ahh yeah  
[Odis] Why don't you tell em Hump

[Od+HH] Cause you ain't heard nuttin this funky  
[Humpty] Whassup y'all, Humpty Hump in the house  
[Odis] Yeah  
[Od+HH] Cause you ain't HEARD nuttin this funky  
[Humpty] You know what?  
[Od+HH] You ain't heard nuttin this funky  
[Humpty] Let me bust a rhyme, c'mon  
[Odis] Get in  
[Humpty Hump]  
You ain't heard nuttin this funky son, we're number one  
Humpty Hump in the house, gonna show you how it's  
done  
with professional rhymes, I gotta question for your  
mind  
Have you ever heard anything this funky son?  
These guys came on by in this, tch, car man playin  
some beat...)  
(Yeah man, I was out on the street  
You ain't heard nuttin this funky nigga, how ya figure?  
My mouth's on the mic like a finger on a trigger nigga  
And when I squeeze I'ma getcha  
You never heard nuthin this funky now didja!  
And if you're large, we're bigger  
You bust a weak ass rhyme and then expect me to dig  
ya  
Humpty Hump's in the house with the locals  
Yo Schmoove kick the vocals  
\*Schmoove sings, Fuze scratches\*  
\*DJ Fuze keeps scratchin\*  
[Humpty Hump]  
\*8:28 into the song, Humpty comes back\*  
Humpty Hump's in the house with the locals  
Yo Schmoove kick the vocals  
\*Schmoove sings some more, up to the end
