Featuring The Luniz

Verse 1 *(Shock G)*

Mammy zammy damn there's nothin to me
But when they rock us in the streets we say "Ooo we"
You see the freak in the beat she do me
I hit that mitty bitty wit the sticky ooo we gooy
I got more funk in my left in my left pinky toe
I got more soul in my style
Then they will ever know
I got more rhythm than I'll ever need to show
We got them groceries bro
Yo Luniz let go.

Verse 2 *(Numskull)*

I got the flow so let the Luni man take over
Get deep into my hold
If ya lost, then picture gold
I heard styles that others stole
But it's no original flow
Like the Luniz an the man wit the nose.

Verse 3 *(Yukmouth)*

Notice my flows kick like a loaded Mac-11
Ghetto heavy, could climb wit mo "Good Times" than
James Devin
Glock wars
Meanin you criticize Tupac for
Homies in the hood, we strap Rugers an "We Got
More".

Chorus *(Shock G)*

Didn't ya know
Our brothas got more
So check the new flow
'cause here we go-e-o-we-oh.
Look how we throw
A lil sumpthin to roll to

Hold you, from the O-we-O-we-O.

Verse 4 *(Shock G)*

I got that Voodoo runnin through my veins
Quit
Surpressed yes
Crazy no
Not insane
I smoothie through the menu then I make my order
I got that dominate gene
So if ya 'noid hide yo daughter
The love ya givin is based on what I do for you
For the right amount of money you probably let me ???
you
I like to glide up in it, but I got my pride
Ain't no whore
Don't second guess yo man 'cause he got more.

(Chorus)

Verse 5 *(Yukmouth)*

Studio gangstas wanna battle, well let's battle
I blasted
They plastic ass get put under ground wit the
fragments.

Verse 6 *(Numskull)*

Snaggle tooth rhymers wit no flavor
Save a gang a neighbors
Then move away so they won't be called haters.

Verse 7 *(Yukmouth)*

Captain Save-A-Hoe
Up-up an away ya go
The "O" is too unfadeable.

Verse 8 *(Numskull)*

But don't trip
Get a grip
Make ya own skit
Be sure
Before
You slide through the door 'cause "We Got More".

Chorus *(Shock G)* 2x

Didn't ya know
Our brothas got more
So check the new flow
'cause here we go-e-o-we-oh.
Look how we throw
A lil sumpthin to roll to
Bump hoes to
From the O-we-O-we-O.
