A touch too much, too soon,
Got cast away with you. (x2)
Your words, can't hear, cause they hurt:
Can't spend another day with you.
Can't stand another day with you.

These two hearts won't make it last. (x2)
It's like you are hopelessly in love,
But I will watch you.
It's like you are hopelessly in love.

Don't move, just close your eyes,
I grab your hands and then (x2)
You see, although you've been blind:
I saved your world again.
Just saved your world again.

These two hearts won't make it last. (x2)
It's like you are hopelessly in love,
But I will watch you.
It's like you are hopelessly in love.
But it's okay, okay,
Cause I will stay with you.

You don't need much operation done,
You want the moon but you've got the sun.
You don't need much operation done,
Too much, too soon, for a bit of fun.

These two hearts won't make it last. (x3)
But it's okay, okay,
Cause I will stay with you
