Systematic overdrive  
My chaotic reality  
A demon driven optimism  
Delusionistic sanctuary  
A borderline impersonated  
On legacies of disbelief  
Steering life with unseeing eyes  
A disturbed mind in harmony

Come to me  
Taste the sweets in my utopia

Let me fabricate  
Let me live my reality  
I'm the borderline  
Help me fantasize  
Help me live my reality

With devil eyes I passionate  
Sacrificing sexual flesh  
Serpent tongue is licking skin  
Poisoned love with no regrets  
Further away my mind drifts off  
Twisting worlds and turning days  
Into hell nights, forever black  
With agonizing pain

Come to me  
Taste the sweets in my utopia

Let me fabricate  
Let me live my reality  
I'm the borderline  
Help me fantasize  
Help me live my reality
