"I'm A Believer"

When your word is spoken to me
I believe in what it says
I take the word in my mouth
And I believe in the power it gets

When darkness comes against me
And winds start blowing
I believe in what you said
And I stand on the word

I stand, on my feet, on the ground
I'm a believer

With faith I cast the mountains into the sea
I believe that the word is healing right to me
When the devil comes against me, and says
You can't do that
I say, I know I can do it

Glory, glory hallelujah
I praise you Lord
