I love my babe,  
I love my woman,  
She's right with me Lord  
In her eyes I see the light,

We are living in the love from Jesus  
And His light is shining on us,  
We put our love  
On the Rock, on the Rock

Sometimes it rains  
Sometimes the sun is shining  
Yes in my heart the sun is shining,  
For you my woman

We are living in the love from Jesus  
And His love grows in our hearts,  
We put our love  
On the Rock, on the Rock

I love my woman,  
I love her so.  
She's right with me,  
She's a gift from God, from God!

We are living in the love from Jesus  
And His love grows in our hearts,  
We put our love  
On the Rock, on the Rock

When I take you in my arms,  
When I kiss your lips,  
My heart is beating for you,  
I love you my woman.

We are living in the love from Jesus  
And His love grows in our hearts,  
We put our love  
On the Rock, on the Rock
