Used his skills to build them wings  
Out of feathers and of strings  
To escape the labyrinth in which they re trapped  
Icarus - the son of Daedalus the one  
With these wings they would reach to the sun...

High above the clouds they'll - fly  
That's the only way cause the...  
Guards are watching land and sea  
(The) King of Crete in agony

He was rebellious - he was bold  
So he ignored what he was told  
Son, you must promise me to never fly too high  
Cause the sun is a flaming ball of fire  
The wax in the wings might just melt  
And you'll fall dead upon the ground

Fly! - Into the sun  
He is the one and only  
Icarus (Icarus)  
High! - To touch the sun  
He is Daedalus son  
Icarus (Icarus)

To kill the monster Minotaur  
The hero begged the inventor  
Daedalus and as if that was not enough  
Did escape with the lovely daughter  
Of king Minos his fury was so great  
In the end he lost his mind
