This is the happiest that,
I have prob'ly ever been;
I just want to let you know ,
That I think you're cool;
I'm weird and I'm random,
But to you that doesn't matter;
I am yours and yours alone.

Why can't everyone get along like we do?
Why do they all have to be such losers?
Why can't everyone just have some fun?
Why don't they all just loosen up?

Everyone around here,
Takes themselves too serious;
Uptight and hassled -
They haven't a clue;
Rest assured that,
I'm not that way,
And you're still alright,
But I hope they all hear.

Why can't everyone get along like we do?
Why do they all have to be such losers?
Why can't everyone just have some fun?
Why don't they all just loosen up?

I hope the indigo stays;
I hope that it never fades;
All in all it's just,
Another brick in the wall.

Why can't everyone get along like we do?
Why do they all have to be such losers?
Why can't everyone just have some fun?
Why don't they all just loosen up?
