You mean so much to me
I love you, can't you see
You're cruel as cruel can be
So don't, don't destroy me

I gave my heart to you
A foolish thing to do
So, darling, please be true
Oh, don't, don't destroy me

For you should leave me now
I'd say I'd forget and forgive
But I'll remember the vow
With the heartbreak as long as I live

So hold my heart with care
My life and love of there
Please give me yours to share
Oh, don't, don't destroy me

For you should leave me now
I'd say I'd forget and forgive
But I'll remember the vow
With the heartbreak as long as I live

So hold my heart with care
My life and love of there
Please give me yours to share
Oh, don't, don't destroy me

Please, don't, don't destroy me
Oh, don't, don't destroy me
