Don't let this call bother you in any way  
I just had to hear your voice one more time  
I know you found a new life  
A new life without me

But I'm alright  
I just had you on my mind  
I just had you on my mind

Oh, you sound so close  
I can almost feel your touch  
And remember the way you loved me.  
I don't know what went wrong  
All I know is that you're gone

But I'm alright  
I just had you on my mind

I'll hang up now,  
It's been good talking to you  
But I bet you want to go now  
You got better things to do

Oh please don't think I'm Blue  
I just happen to think of you

But I'm alright  
I just had you on my mind  
I just had you on my mind
