Lie beside me on the sand
Put some lotion in your hand
Come on and make me feel nice
N' Kiss me once or twice
Say you love me again

Then rub it in, rub it in
Rub it in, rub it in
I feel the tingle begin
You're gettin' under my skin
Rub it in, rub it in

(Do it) Umm feels good (do it)
(Do it) Put a little bit on my left shoulder (do it)
Yeah (do it)
Put a little bit right here (do it) yeah
(Do it)

Turn your radio on
And find a slow grooving song
Baby whisper in my ear
Say the things I wanna hear
Make me know your love is strong

And rub it in, rub it in
Rub it in, rub it in
I feel the tingle begin
You're gettin' under my skin
Rub it in, rub it in

Put a little on my nose
Put a little on my toe
Put it on my back and my sacroiliac
And a dab on my chinny-chin-chin

Rub it in, rub it in
Rub it in, rub it in
I feel the tingle begin
You're gettin' under my skin
Rub it in, rub it in

Rub it in, rub it in

Rub it in, rub it in
FADES-
I feel the tingle begin
You gettin' under my skin
Rub it in, rub it in
