No rose will ever seem as red
No sky will seem as blue
As when you fall in Love
For the first time

No song will sound as sweet
No love will sweep you off your feet
As when you fall in love for the first time

And you were the first time
I gave my heart away
Blind to the price I'd have to pay
And now that you're gone
I've nothing left to give
I gave it all away the first time

No tear will ever fall as fast
As they fall for the love you thought would last
Nothing hurts like the love
You loose the first time

I'll play the game of love again
I'll learn to lie and I'll pretend
That it tastes just as sweet
As the first time

And you were the first time I gave my heart away
Blind to the price that I'd have to pay
And now that you're gone, I've got nothing left to give
I gave it all away
The first time
