Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take  
Dilated, yo, yo

I might flip but usually a calm individual  
Armed with accountants, my lawyers and other  
criminals  
Network with armies, street wars are critical  
And revolutionaries so streets are more livable

Fuck what your ego say  
Don't take shit for granted, homey, we don't play  
All's fair in love and war, piece of cake  
But beef is rare like a bloody piece of steak

Don't you take your eyes off the quiet ones, the silent  
ones  
With the assassin smile, the most violent  
Train until their bleeding, crying, perspiring  
And gun rings firing

Don't you take the wrong side, that's the wrong idea  
Untangle it, we could get it on right here  
Never back to broke, you get tapped or choked  
I might smile but I ain't no joke

Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take  
Oh, yo look out, look out Rak'

Love or fear, the fear last longer  
But love is stronger, so I stay loyal to love with honor  
You got those who wanna take that for weak  
Be prepared, they'll test you in front of your peeps

Some easy advice, buy your way out my life  
It's the principle, the pockets fat not flat  
Some borrow dough and relax on payin' that back?  
C'mon cat

Don't you take me for weak, give an inch they take feet  
Give 'em feet, they take the street  
My city's called 'Everybody Eats'  
The operations don't skip a beat

Don't you take my squad as chumps, punks or fakes  
Quick to dump, pop trunks on snakes  
That's of course, push came to shove  
Otherwise love is love so

Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take

Ladies and gentlemen  
We have a special guest tonight in the house  
Talib Kweli

You'll never fit up in my shoes so don't try 'em on  
I always tear it up, I'm 'bout as calm as a quiet storm  
Legendary lyricist, nice guy persona  
My songs celebrate life and you can play 'em for your  
momma

But don't make the mistake of tryin' to play me  
Unless you a DJ, don't get it twisted I'm still from B.K.  
Wanna front? Better keep it in your mouth like Flavor  
Flav  
Where I'm from even a chick spit razor blades

Don't you take me for a sucker or I'll take you back to  
school  
Fool can't play the wise but the wise can act a fool  
I stay cool and mild mannered and just put in my work  
Don't push you don't know what's up, under my shirt

Don't you take me for soft, I got a heart that pump  
Like a twelve gauge shotty when it start to dump  
Youse a mystery 'cause you don't know who you runnin'  
towards  
And got history, that shit is told by those who won the  
war

Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take

Don't you take  
Don't you take  
Don't you take  
Don't you take

Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take my kindness for weakness  
Don't you take
