Feat. Phil Da Agony  
Told y'all... down with Dilated....  
Motherfuckers!

Phil Da Agony break your crew  
Any problems?

Yeah, yeah,

Bones full of agony  
Skin full of melanin  
Go ahead, tell a friend  
We back at it again  
Randomly I aim to cap  
A wack rappin head off  
Decapitate a rappin head off  
You're better off...

Sucked off twice in the same night

You know my style right?  
You know my large appetite  
Brand new, keep it spank  
Keep a bag of dank  
Keep it top rank  
Keep all my money in the bank

Money market Mutual funds  
Investments for my son  
Expanding the team and gettin it done

World Champions, shit - Los Angeles Lyrics  
Bitch don't act shocked when you hear it
