Ah yeah, oh, no
Killin' niggas, what?
Dilated, we rock, c'mon

Hurry, hurry an' step right up
Hurry, hurry an' step right up
The greatest show on earth
An' I'ma tear shit up

You better step up, you lookin' kinda lost
Claimin' two ghetto streets that don't even cross
If you didn't know, I'm a true artist
Who drops gems like on the run from police

Alias 'Evidence', intensified when live
I understand pace, I understand strive
The only thing worse than lose your title, have it stolen
I treat beats like video games that I'm controllin'

My knots get blown at vinyl spots
Wise investment, create tracks that triple my stacks
Most kids got whack songs but hi-tech videos
They know that ain't right, that's why the screens turn
left

Flow goes backward, please, Evidence here to seize
All assets 'bout to bounce from BMI to ASCAP
An' ask them cats if them checks ain't paid
Fuck the rain, Evidence, I spray Raid on your parade

Hurry, hurry an' step right up
An' I'ma tear shit up
Hurry, hurry an' step right up
The greatest show on earth is Evidence

Hurry, hurry an' step right up
An' I'ma tear shit up
Hurry, hurry an' step right up
The greatest show on earth is Evidence

Ev's solution will mold to different forms
I be a double-edged sword, I be thorns

Or I transform to horns on the cattle field
I'm always open like Norm's, equipped wit battle skills

Two times I mold to the shape of a pentagon
Dilated times five is ill, ring the intercom
Evidence or Iristyle, got your file, run
Global detonation is my shape of drums

Under the sun nothin' changes
Dedicated beats an' lyric pages, Dilated Peoples, all
ages
Suckas dressin' flashy, thinkin' then can you defeat us
Take 'em out, wash your Nike wit Adidas

Hurry, hurry an' step right up
We got Defari in the house, no doubt
My mind is like an icon, focusin' on shows that I've
wrecked
My fast shudder speeds will freeze the movin' objects

Hurry, hurry an' step right up
An' I'ma tear shit up
Hurry, hurry an' step right up
The greatest show on earth is Evidence

Hurry, hurry an' step right up
An' I'ma tear shit up
Hurry, hurry an' step right up
Pull up a chair, word up

Everybody say, "Babu"
Fuck that shit
