Now, turn it up
(A little louder)
Turn it up
(A little louder)
Turn it up
(Little louder)
Turn it up
(Little louder)

Now turn it up
(Can't live my, I, I can't live my)
(I can't live my, I, I can't live my)
Turn it up
(Little louder)
Turn it up
(Little louder)

I, I can't live my, can't live my
Yeah, yo, I can't live my I, I can't live my
Life this way, continually get high
Instead of runnin' 'round, lock one bird down
It's a new day gotta do it big just to get right

Show no respect, can't live that way
You hold my check, can't live that way
Without my chick on deck, can't live that way
They say what they like, but I've been that way

Our moves calculated through the lens, almost here
Success will be the best revenge
Man, from Clint East' to Kanye West, whut up, whut up
Some can't chill but everyday it says, everyday

This time I made up my mind
This time I'm back on my grind
I know there's things in my life
That I'ma let go startin' tonight

I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my life this way

I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
I can't live my life this way

Kanye to the
My favorite girl wanna leave me just because I got a
girlfriend
My freak girl told me now, she a Christian
My white girl wanna move back to Michigan
I'm pullin' girls off the bench like a sixth man

I'm in the club doin' the same ol' two step
While Omegas doin' the same ol' Q step
I have my money on my mind I was thinkin' green
She a pledge A.K.A., she was pink and green

I want a good girl, she want a gentleman
We sayin' the same thing like a synonym
I wasn't really spittin' game I was scrimmigin'
My pimpmanship so hard in this censorship

I'ma Chicagoan till Chicago ends
Till we blow like Chicago wind
I don't know what's better, gettin' laid or gettin' paid
I just know when I'm gettin' one
The other's gettin' away, this way

This time I made up my mind
This time I'm back on my grind
I know there's things in my life
That I'ma let go startin' tonight

I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my life this way

I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
I can't live my life this way

Here we go, Rakaa
Go 'head, flip a coin so the game can start
Believe I know the drama kid name the part

I learnt before the hot flame came the spark
It's like before the pop fame came the park

But this industry'll play with yo' life man
They playin' with yo' rent, food, water and lights man
That's why Rakaa brings it like that old totty T Jam
The batter ram, then I'm off to Amsterdam

To rest up for strength to deal with this weight
To deal with these deals to deal with this hate
I dedicate this to Jam Master Jay
Run DMC showed me how to walk, this way

This time I made up my mind
This time I'm back on my grind
I know there's things in my life
That I'ma let go startin' tonight

I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my, I, I can't live my
I can't live my life this way

I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
(This way)
I can't live my, I, I can't live my
I can't live my life this way
