So many things to do  
I should run,  
Oh no,  
I missed my bus again  
Ill make it up to  
You next time  
So many people to see,  
And I just stopped  
To get the keys or something,  
But damn, I forgot,  
Let me have.  
Only a couple of minutes  
Where Im blessed here in  
The arms of god  
Maybe just a few more seconds  
Where there is just me and I  
Only a couple of minutes when  
I rest here in the arms of god  
Maybe just a few more seconds  
Where is just, me and I  
I want be present,  
But still in time  
To discover the mood right now.  
Cant help but wanting to  
Stay a while  
And to enjoy this moment  
By my self tonight  
I want to:  
Move a little  
Play around  
Dance just a little and maybe  
Sing something nice.
