Take my heart along, when you walk out that door
Im not hoping to love or trust anymore
Now nothing has changed and its not the same
anymore
Well if Im your biggest secret, if your not supposed to
tell
If my love made you think then darling please think
again
Because you wont get to heaven,
when what you do fits best in hell
I got lost in your ocean blue eyes
Youre not him and Im not the one
To die away forever just to live through a little while
Yes, I got lost in your deep blue eyes
Love come so quick wish that I knew why
Ill regret this ever after, imagining you where mine
Well, Its a heartless destiny, when the timing is wrong
Its like having chorus, verse and bridge
together but it still wont make that song
Now I cant get this together so Ive got to move on.
We had no proof, no evidence.
Not a single line to my defense.
There was not much to talk about we
both knew, this was the heist
Heist of them all, boy when I.
Baby, you where buying time on
my account just to make her smile
you where never mine, when I
