The sun hasnt been merciful,  
couldnt care less about my needs  
Left my grounds covered with snow  
Im stone-frozen and my heart bleeds  
Sue, what could I say.  
What could I do, I gave it my heart,  
you know its true  
So through the darkness as I fall.  
Youre always there when I call  
Suzy  
Well I am here,  
thats what you say.  
Youre not alone  
Ill share your pain  
My world is lost, turned upside down.  
There is no need to explain when  
youre around  
As I get lost in my own madness  
discussing what has been said.  
You keep an eye on the project  
and lead me to my heart from my head.  
Suzy understands.  
Suzy  
As I think again.  
The best thing Ive got will  
always remain, the same.  
Misery, pain and disaster will never turn  
into catastrophe as Ive got Suzy  
to share it with me.  
Thats my best friend Suzy
