Verse: I see you watchin me from across the room  
And I must assume taht you came in here wit your man  
Coz he wont let you up on the rocks  
Coz if he knew what \*I'm jeez it's us getting up yo ass

But now I see that you're all alone  
And maybe girl later on can I can fall through  
Hey listen some bad intentions  
Bout me picturing positions  
Got you on my kitchen  
Where in conditions girl,

Chorus: So what do you wanna do?  
Baby girl just let me know  
I'll surely talk to you  
Cause there's something about you got me  
Trippin on the wrong way

Chorus: That body must be that  
Body(Girl, it gottable that)  
That body must be that  
Body(girl, it must be that)  
That body must be that  
Body(girl, it gotta be that) (2x)

Verse 2: Tell me I've said it  
I've read it off the spot  
Talk it girl, say what's on your mind  
Girl you're so rebellious  
I've never felt your magic  
Now I have you shakin in your spine  
Silky girl, get up on it  
Ride it girl like you own it  
\*Your body's just towin I'm just a fan  
Come here and let me search it  
Keep going body shot  
Keep on me sittin hot

Chorus: So what do you wanna do?  
Baby girl just let me know  
I'll surely talk to you  
Cause there's something about you got me

Trippin on the wrong way

Chorus: That body must be that  
Body(Girl, it gottable that)  
That body must be that  
Body(girl, it must be that)  
That body must be that  
Body(girl, it gotta be that) (2x)

Ref: Yeah yeah yeah!  
The girls say (Lalala 4x)  
Bounce, bounce, bounce  
All the girls say (Lalala 4x)  
Bounce, bounce, bounce

Bridge: Excuse me young lady  
But you know you're lookin so fly  
Hey girl, I just can't sit back and  
Let you just walk by  
I know what you want and  
There's no need for you to be shy  
I think that I'm fallin in love  
With your B.O.D.Y

Rap: Excuse me young lady  
But you know you're lookin so fly  
Hey girl, I just can't sit back and  
Let you just walk by  
I know what you want and  
There's no need for you to be shy  
I think that I'm fallin in love  
With your B.O.D.Y

Outro:  
Uh-oh, Uh-oh, Uh-oh, Uh-oh! 4x
