There's a little moonlight, dancin' on the sand  
There's a warm breeze blowin' by the ocean as you're  
takin' my hand  
You need to know... where I'm standin' now  
That I'm right on the edge of givin' in to ya  
Baby it's a long way down

If I fall, can ya let me down easy  
If I leave my heart with you tonight  
Will ya promise me that you're gonna treat it right  
I'm barely hangin' on  
If I fall, can ya let me down easy

The scent of your perfume, floatin' in the air  
You're lookin' like an angel lyin' on a blanket with a halo  
of hair  
And those lips, look too good to be true  
Once I taste that kiss, I know what'll happen... I'll be at  
the mercy of you

If I fall, can ya let me down easy  
If I leave my heart with you tonight  
Will ya promise me that you're gonna treat it right  
I'm barely hangin' on  
So, if I fall, can ya let me down easy

If I fall, can ya let me down easy  
If I leave my heart with you tonight  
Will ya promise me girl you're gonna treat it right  
I'm barely hangin' on  
So, if I fall, can ya let me down easy

If I fall... Can ya let me down easy

Let me down easy Babe

MmmMmmm
