[Let me talk to you real quick
Why you always trippin?
It's like you're never happy
Unless we got a problem
Coz you know what?
Listen real quick.]

Verse: I don't know why
You keep on playing games
I don't know why
We think our love is pain
Wa ain't fightin
Then we don't ever say
That's not the way (If used to be.)

Verse 2: If she loves me
The fightin what you want
My night should been where we get along
Can you tell me, waht I've been doing wrong
It's pain to see that you really don't need me.

Chorus: Guess I ain't good enough
Guess I ain't good enough
You want a man to treat you wrong
Guess I wasn't man enough
Or I wasn't giving enough
Guess you wanna live to do it all

Ref: I don't know why
Why I care the way that I do
Baby I try
But it's obvious
I'm not the man

Verse: Everybody who think taht we're in love
It's not real baby but I had had enough
I can see that
You're really want it though
And that's not me

Makeup, breakup
Girl, let's het it on

Try to provoke me
Up till I'm out the door
That's why I'm leaving
You all alone
I hope you find what you want coz baby I...

Chorus: Guess I ain't good enough
Guess I ain't good enough
You want a man to treat you wrong
Guess I wasn't man enough
Or I wasn't giving enough
Guess you wanna live to do it all

Ref: I don't know why
Why I care the way that I do
Baby I try
But it's obvious
I'm not the man for you. Yeah.

Bridge: Hey girl can't you see
Hey girl can't you see?
I'm there patiently
I'm not where you
(just thought I'd let you know)
Just thought I'd let you know
Before I let you go
Before I let you go

Chorus: Guess I ain't good enough
Guess I ain't good enough
You want a man to treat you wrong
Guess I wasn't man enough
Or I wasn't giving enough
Guess you wanna live to do it all
